

Internet Privacy Policy

Geo Pollution Technologies operates www.GPTenvironmental.co.uk. This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the Site. We use your Personal Information only for monitoring and improving the Site. By using the Site, you agree to the collection and use of information in accordance with this policy.

Log Data

Like many site operators, we collect anonymous information that your browser sends whenever you visit our Site ("Log Data"). This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics. In addition, we use the third party service Google Analytics to collect, monitor and analyse the data in order to improve the effectiveness of our website.

Communications

Should you contact us via the "email us" form we will use your personal information to contact you in regards to your query. Additionally, if you opt in on that form with the checkbox provided we may contact you with newsletters, marketing or promotional materials.

Cookies

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive. Like many sites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.
